## **Terms and Conditions**

1. This "Farnell Winter Games" ("Competition") is run by Premier Farnell UK Limited t/a Farnell 150 Armley Road, Leeds, LS12 2QQ England (hereinafter referred to as the Organiser) on the following terms and conditions (the T&Cs).
2. By entering into this Competition, all entrants ("Entrants") will be deemed to have read, accepted and agreed to be bound by these T&C's. Entrants are advised to review these T&Cs before entering the Competition and print and keep safe a copy of the T&C's. The Organiser reserves the right to revise the T&C's from time to time. Revised T&C's will be posted on the <http://wintergames.farnell.com/uk> ("Competition Microsite") and it is a condition of entry to the Competition that Entrants agree to comply with such amendments from time to time.
3. Any Entrant (subject to the T&C's) from **Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Hungary, Lithuania, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, United Kingdom** may enter this Competition. Entrants not meeting any of the requirements set out in the T&C's or not applying from these countries/areas are excluded from entry.
4. No Purchase is necessary or required to enter the Competition.
5. All times stated in these terms are based on the United Kingdom (GMT+1 time zone).
6. No responsibility will be accepted for entries which are not received for any reason, including technical error, pixels and plugins installed on entrant's device that may block receiving information or effect competition results.
7. The Competition will run from 0.01 AM (UK Time) 19/11/2019 until 23.59 PM (UK Time) 03/02/2020. ("Competition Campaign"), any valid Entrant can participate by entering the Competition posted at the Competition Microsite.
8. The Competition will be played as follows:
  - a. **Weekly Prize:** There will be 3 rounds on the following dates for a total of 11 gaming weeks, each to start on a Tuesday and end on a Monday.
    - i. 1<sup>st</sup> round: 19/11/2019 - 16/12/2019 (4 weeks)
    - ii. 2<sup>nd</sup> round: 17/12/2019 - 06/01/2020 (3 weeks)
    - iii. 3<sup>rd</sup> round: 07/01/2020 - 03/02/2020 (4 weeks)

Each round will introduce a different game to solve as quickly as possible within a limited time period of 180,000 milliseconds. A weekly prize (see condition 17) will be awarded to the top 3 players per country, identified among the ones who will have completed the game successfully in the quickest time. The Entrant can play more than once during the same gaming week to improve his/her entry time as the Entrants best entry per week will be identified within 7 days from the closure of the respective gaming week. One Entrant cannot win more than one weekly prize per round no matter how many times they entered.

The winners of the weekly prize will be determined by a software that will identify the 3 Entrants having successfully completed the game it in the quickest time - within the given time of 180,000 milliseconds. The score for each participation will be established by a mathematical operation, e.g. the milliseconds used to complete the game will be subtracted from the available 180,000 (so that the lower the time used by the participant, the higher the score). Please note that the milliseconds used to complete the game will be counted automatically by the software regardless of what is shown on the Entrant's screen.

- b. **Grand Prize:** At the end of the “Competition” one overall Grand Prize will be assigned (see condition 17) to the Entrant that will have played the 3 games (1 for each round) and will have the best overall total score of all 3 rounds. Subject to completion of any necessary tie breaks, the Grand Prize winner will be selected within 28 days after the Competition Campaign ends. The winner will be selected by summing up the best scores of the 3 different games assigned to each user, as described in a).
9. **TIE BREAKS:** In case of a tie, Entrants will be sent an email to log to the Competition Microsite using their Nickname and Access Code and replay the game of the 1<sup>st</sup> round. The Entrant with the higher score will be identified as the winner.
10. To enter the Competition each Entrant should fill in a registration form submitting their name, surname, phone number, email address, providing a nickname, and accept Farnell’s privacy policy as well as these Competition terms & conditions. After submitting the registration form Entrant will receive via email the Access Code to log-in to the Competition Microsite.
11. Entrants must be aged 18 or over.
12. Entrants can only participate and win by using their own human skills, intelligence and knowledge. 13. Employees from public sector companies or (governmental) officials are excluded from participation.
14. Employees, directors, shareholders of any company within the Premier Farnell Group and their direct families (parents, siblings, spouse, partner, and children) or agents and/or anyone associated with the running of the Competition are not eligible to enter this Competition.

Subject to tie breaks (see point 8.c) being successfully determined, all the winning Entrants will be announced by 02/03/2020 and the final rankings for the Weekly and Grand Prize winners will be published on the Competition Microsite. The Organisers’ decision is final and no correspondence will be entered into.

To claim his or her prize, the winning Entrant must confirm receipt of the email within 28 days of notification by the Organiser.
